

Good Day to All

Well we have the Tournament Capital Ranch for a big finish to the summer for October 12 to 14, 2018.

An all fly for everyone to enjoy ...planes big or small, helicopters, even drones. A course will be setup to have some fun.

Camping allowed fee is the same \$16.50 for the weekend.

So come enjoy the day or even a camping night should be lots of fun.

Even get in some night flying ...gliders...or helicopters.

We will have use of the lights for night flying too.

Just a fun weekend ...with friends.

Donations accepted for Royal Inland Hospital and also will do a 50/50.
