

## High Country Flyer's Frequency Board Procedure

These requirements will apply to all `High Country Flyers` Model Aeronautic Association of Canada `sanctioned` fields.

### **Purpose:**

Ensure that all flyers at High Country Flyer (HCF) fields are covered by the Model Aeronautic Association of Canada liability insurance as required by the land owners, High Country Flyers Society and the Model Aeronautic Association of Canada`s `Safety Code`.

HCF policies will be in place to ensure all flyers at the HCF flying fields have a current HCF/MAAC or AMA membership; which provides liability insurance.

### **Frequency Pin use:**

Non-High Country Flyers must be prepared identify themselves and show proof of MAAC or AMA membership.

### **Frequency Board:**

Guests must display their current MAAC/AMA card on the appropriate Frequency board.

### **Enforcing:**

It is up to all HCF members at the field to ensure this procedure is followed - everyone is a Safety Officer.

If you don't know who is flying with or without a posted membership card introduce yourself and find out.

Person's flying without proper documentation **WILL** be asked to - provide proof of compliance to the rules or failing to comply - immediately cease flying.
